

Bonnie Lass Quilt Block

Here is the picture of the completed quilt block. Inspiration comes from Shirley Fox and I found a pattern in the book, Quilt Lovey by Jen Kingwell. We have re-sized the pattern the larger 8 ½ inches square.

This block is super easy to complete.

CUT:

- 4 different, coloured rectangles 2 ½ inches by 4 ½ inches
- 4 low, volume rectangles 2 ½ inches by 4 ½ inches

SEW

Pair a low volume rectangle with a coloured fabric rectangle and sew together. Press toward the coloured fabric. Repeat with remaining 3 pairs.

Stitch the 4 units together, alternating the vertical and horizontal orientation. See inspiration picture showing the blocks on point. Jen Kingwell's blocks were smaller.

DOUBLE CHECK

Make sure that your square measures 8 ½ inches square. Begin again with more fabric if you wish to make more blocks. Bring in your block(s) and drop off with Shirley Fox.

Thanks so much for participating in making more quilts for the former residents of Hadgraft Wilson Place. SMILE because you are amazing!!

Please come and see me or Shirley with your questions about making this block. - Phyllis Janzen
