

## Disappearing Nine Patch

This is an easy block. The plan is to use 9 blocks plus a bit of sashing to make the perfect sized NICU quilt. So the challenge is being put forth to you all to see just how many NICU quilts we can produce. Happy stitching!

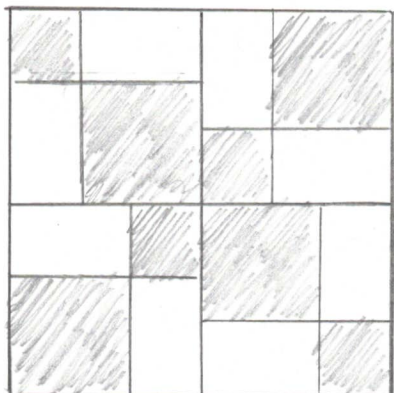

Nine 4 inch squares consisting of 4 white and 5 contrasting (the contrasting can be all the same, or assorted, your choice) arranged as shown

It will measure **11"** at this point

Slice in half in both directions as shown by the dotted lines in the diagram.

Rotate the top left square & bottom right square 180 degrees as shown by the arrows, then reattach.

The block will measure **10.5"** at this point.
