

February 2024 Block Lotto: Hugs & Kisses

Colourway: Shades of pink or red for the Hug or Kiss and low volume for the background. Try to keep to the most modern fabrics from your stash and you are free to be as scrappy as you like. Great use of charm squares if you have nay.

Tutorial

Refer to this tutorial (link below) for instructions and pay attention to the orientation of the block's segments so you make one kiss (X) and one hug (O).

- Four 5" pink/red squares

Once the sashing strips are added to your block the unfinished size is 10 ½" X 10 ½". The finished block will be 10" X 10" finished.
