

*****BLOCK OF THE MONTH*****

This year the Block of the Month will be a ??? MYSTERY??? Quilt!

The resulting quilt will be 60" X 60 "without a border. This can be rearranged to create two baby quilts if this is preferred, but more on that at the final construction.

The colour palette for this project is based on a three-colour choice, one dark, one medium and one light. A scrappy version can be considered, but keep the fabrics in each group similar in depth of colour. One colour choice should be consistent to avoid the result being too scrappy! It does not matter which one you choose to be consistent.

The fabric requirements for the quilt are:

Light 3-3/4 yards or 3-1/2 metres

Medium 1-3/4 yards or 1-1/2 metres

Dark 1 yard or 1 metre

The colours should play well together but provide a lot of contrast.

First set of instructions will be introduced at our first get together on Sept 24th so you have some time to check out your stash or find something new!

The instruction package will be posted on the web site after each meeting for those who travel during the winter so you can keep up! There are five sets of instructions, followed by the big reveal at the end of April!!

Looking forward to seeing your colour choices and progress as we go along this year.
