

November Block Lotto: Two at a Time Tree Blocks (**2 Blocks = 1 Lotto Entry**)

This fun tree block is made improvisationally, and you end up with two blocks once you're done.

COLOURWAY:

Fabric 1: low volume

Fabric 2: any modern green fabric so we have a variation in our forest colours. Avoid overt Christmas patterns so that this quilt can be enjoyed year-round and by folks who may not celebrate Christmas.

Fabric 3: brown for tree trunk

TUTORIAL:

Tutorial can be found at Amy Smart's blog Diary of a Quilter:
<https://www.diaryofaquilter.com/2015/12/modern-christmas-tree-quilt-block.html>

NOTES:

Because the blocks are made improvisationally, you won't end up with a set size of block. Just trim your blocks so that they are the largest rectangle possible (or leave untrimmed). Whoever wins them can trim and/or add strips as necessary – the beauty of a bunch of scrappy blocks is that this will look wonderful in the final composition!
